

WE ARE THE

PRO-LIFE GENERATION,

AND WE WILL **ABOLISH ABORTION IN OUR LIFETIME.**

STUDENTS FOR LIFE OF AMERICA EXISTS TO RECRUIT, TRAIN, AND MOBILIZE THE PRO-LIFE GENERATION TO ABOLISH ABORTION.

KRISTAN HAWKINS

Kristan Hawkins is a Christian, wife, mother, grassroots activist, author, speaker, and a human rights advocate. President of Students for Life of America, she was recruited in 2006 to launch Students for Life of America's full-time operation. Since then, she has built up a small organization made up of a few dozen student groups scattered around the country to a coordinated national team serving more than 1,200 Students for Life groups in all fifty states.

A frequent speaker and media analyst, Kristan's expertise includes abortion, feminism, disability advocacy, and healthcare, as she navigates the social conditions and public policy that impacts the human rights issue of our day. She does all this while multitasking as a mother of four children, two of whom have cystic fibrosis. Kristan knows firsthand that all children have value, no matter the perception of their abilities and works daily to be a voice for Millennials and Generation Z who see the horrors of abortion for women and their preborn infants.

Students for Life speakers seek to empower and multiply this Pro-Life Generation to accomplish our mission of ending abortion in our lifetime. We are unafraid to be a voice for the preborn and warriors to take on the abortion industry right where they target, our nation's college and high school campuses. We understand that education is the key to equipping this generation with the truth and answers to those hard questions they will inevitably face when standing firm and standing up for righteousness.
